DETAILED ACTION

Claim Rejections - 35 USC § 112

1. Claims 1, 5, 6, 9-12, and 22-23 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 1 contains two separate periods at line 11 and line 15 and since claims are limited to a single sentence, it is unclear whether the limitations following the second period are meant to be part of the claimed invention. It is also noted that Claim 23 recites "is on outside" at line 2, wherein the phrase is a little unclear and should probably be written as "is an outside" or "is the outer layer of" or "is on an outside" or similar phrase.

Response to Arguments

2. Applicant's arguments, see pages 5-8, filed 1/5/06, with respect to Peterson, Eberl and Finestone have been fully considered and are persuasive. The rejections as recited in paragraphs 4-6 have been withdrawn. Claims 1, 5, 6, 9-12, and 22-23 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action. In this regard, the Examiner notes that a telephone call was made to the Applicant's Attorney, Mr. Philip Weiss, on March 20, 2006, but unfortunately Mr. Weiss was not available.

3. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after

Art Unit: 1773

the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
